Create an Empowered Relationship with your Writing

What do you want your writing to be?

How do you want it to fit in your life?

How do you want it to feel?

When you're "in the zone" who are you as a Writer?

Who do you want to be for your writing? What can your writing count on you for?

NEXT: Begin to come up with an image that expresses this vision (find a photo, print an image on the internet, or draw it). Put this image somewhere that you see it every day.
